

# Hold Me Tight Vaginal Tightening Cream 30 ml

Conseil de vente:

Si la cliente présente déjà un problème de lubrification vaginale, lui conseiller de marier l'utilisation du gel raffermissant Hold me tight™ avec le lubrifiant Toko SILICONE qui n'altère aucunement les effets du gel.

Parce que chaque femme est unique, la sensation de resserrement peut varier.

## Product Description

"Hold me tight" female Firming Gel.

This firming gel is made of natural ingredients known for their astringent properties.

Once applied, the gel allows the couple to feel better grasp of everyone.

Lovers both become more stimulated during penetration which gives a boost to their couple in the bedroom!

Perfect for women who have given birth or women wishing to find the same elasticity and firmness at a young age.

- Made with certified organic ingredients.
- Designed to help intensify the loving embrace.
- Helps restore vaginal lubrication.

Weight: 95 gr
