This kit contains products to explore, discover, relax and break all taboos that can lead your desires and fantasies to reality.

Break the routine and give yourself hours of ecstasy! Enjoy your discovery and have fun!

Featured Products Shunga in the same package. Storage box

Ask him to explore your secret garden ... Secret Garden Clitoral Gel is perfect for exploring and stimulating the clitoris ... with your fingers, mouth or toys!

Concentrate on your man by exposing him to all kinds of new sensations with the Dragon Cream that will stimulate all his points starting by caressing his member. Blow on, and when you join him in a loving embrace you will be rewarded By a sensation of fire and ice that will bring you to the limit of pleasure.

Mark your G point! You can even ask your fellow to play to participate in this quest. The included brochure will help you find the best challenging positions. Try them all! For fun, apply the Rain of Love cream on a specially curved toy to reach your point of pleasure and enjoy!

TOKO AQUA lubricant is formulated to mimic the natural lubrication of a woman and will facilitate the introduction of your partner in lubricating more! You can enjoy its thirst and its lasting effect during solo ebat or as a bonus very appreciated during the love to several.
