Product Description

Secret set of Naughty Geisha

This naughty Geisha set of 5 piece contains wonderful recipes to push the limits of your pleasures.

Ideal for romantic getaways, this small set contains all the secrets to ignite your moments of sensuality. He can follow you in all your travels, including in planes.

Discover new sensations that can lead you to the climax of female orgasm ... Use alone or with the complicity of your partner.

The Dragon cream gives an intense effect "ice of fire" which increases your palisir and allows you to reach multiple orgasms. This exclusive blend of 100% natural botanicals and extracts helps to bring out the strength and energy of the male organ while sensitizing intimate female areas.

Sublimate your G-spot! Explore alone or in two this sacred area that leads to the borders of wonder with the cream of excitement of the point G "Rain of Love".

The ten-speed bullet vibrator supplied to you (without battery included) is small, discreet, quiet and powerful. It will be perfect for external stimulation to intensify your intimate experiences.

TOKO Aqua lubricant is water based and natural, ultra silky and aroma-free. It is perfect to use with adult toys.

Tastefully decorated this box will be a successful surprise. The set includes:

- TOKO Lubricant Aqua 10 ml
- Secret Garden 7 ml
- Dragon 7 ml
- Rain of Love 7 ml
- 10-speed vibrating bullet (AAA battery not included)
